Darlene, I am sorry to hear that your Mother recently passed. I lost my Mother a little over a year ago, so I feel your sorrow. Please accept my condolence. After reading your Mom's obituary you be happy about the spiritual, educational, moral legacy she established and left behind as an example of how we should make an impact on the lives of others. I did not know your Mother, but through the years I have gotten to know you. I can now see the generational leagacy that your Mother has put in place and has been passed these great attributes on to you. Your are writing a great legacy for your self based on the solid foundation received from your Mother. May God continue to bless you and your family now and forever. I love you much, Ted Jamison

My Dearest Pat, Darlene & Family, My prayers are with you in your time of grief. What a great impression she made on me and my sister Deborah (deceased). Everytime I saw Mary I would recall the 2 week vacation we spent with her, when I was 12. It made such an impact on my life, I never forgot it. I saw in her a GREAT Mother to her daughter Pat and the patience she showed to me was far beyond anything I had ever experienced. I saw in her kindness, thoughtfulness, and a superb teacher of how to live life. Blessed are those that have known her and had an opportunity to spend even moments with her. All my love, Garnett McQueen
