Please accept my deepest sympathy in the loss of your loved one. Death is an enemy to mankind, but Almighty God promises that He is going to remove death, sickness and pain in the near future. (Revelation 21:3&4) He also promises in John 5:28&29 that He is going to resurrect those sleeping in death. Please take comfort in the bible during your time of grief and may your entire family be comforted and blessed.

Breaks my heart to hear the news of Ricks passing. My husband shared so many stories of the two of them growing up. I loved watching Scott get so excited with each and every story he told. You two are reunited again. I am praying daily for the family as I know this is a very difficult time.

I am so sorry to hear about your father. He was a good Uncle to Autumn and Alexis when they were young. I remember when the girls were little and Rick insisted they needed Nike shoes and he went and bought both girls their first name brand shoes. He really loved his nieces. I will be praying for all three of you, RJ, Chris, and Brittany. I love you very much and again am so sorry for your loss.

Will always think of Rick the way he was before all the drama . The smile the jokes and the famous words he said to me so many times image is everything and he bought me a pair black and pink Nike tennis shoes . He and I where friends for so long he kept me out of the middle always called on my birthday and even though his life was nuts he always took time to give me encouragement thew my own crazy life . And he gave me three beautiful grandchildren I see him in there faces he tease me about how much Britney look like me but now that she is older she looks just like him . He will be part of my heart and he will be missed . I think God needed a special angel to keep the other angel s dressed. In fashion to keep the image going He is at peace now his hard Struggle has ended . All of the people that new his heart knew the real Rick and they will remember him always Rest in peace Your fav mother in law Suzy
