So many to share ... what will always stick in my mind was the one thing she said to me the last time I saw her... she said Sherry ... I will always love you and ur family. She made it clear she didn't care what others thought about people .. she loved every single one of her children grandchildren nieces nephews brothers sisters and husband ...everyone.. it didn't matter what we did in our past ... she loved and forgave every single one of us with all her heart and Never swayed from that. She enjoyed her visits and phone calls and Never forgot to say I love you. Mom mom we could not have asked for a better person to call our mom mom our hearts ... you were it.. the cats meow!
