My dear friend, you were like a sister to me. Though miles and years separated us, we finally found one another again. Our long chats and laughing at our memories of the fun times we had couldve gone on for days. Ill miss you for all time. Your body is at rest and your soul at peace. I love you dear friend. My heart is broken. I hope to see you on the other side dear heart.

Ah where do I start first of all I'm going to miss you like crazy!!! You were like a mom to me never ever had a bad thing to say about me. And you would never let anyone say anything bad about me because you would of had their throat. Your love for me and my children was unconditional. Our long late night talks, my phone ringing at 1 am, you calling me to bring you rolls and panzarottis. Oh boy and the secrets we shared. I couldn't call you during your soaps or I got yelled at. Oh how could I forget the time you drove to NJ for Madison's birthday party dressed like a CLOWN and Madison HATED clowns and peed herself because you scared her so bad. There are so many memories that I have of you. I'm going to miss you until we meet again.....love you
