I have known Roland J. Boone for 15 years. In that time frame we have been friends, in that time span he has from time to time he has confided in me with various things that were at the time happening. He was always there to lend a hand when he was able to. Even though his passing was suddenly unexpected to all who knew him, May he rest in peace your in gods hands now. R.I.P. Roland J. Boone

I have known Roland for 15 years. He was our neighbor, He has helped my husband out in the past...as we did he also. I felt so bad for him when he lost his dog Belle to cancer. When he found out our dog was hit by a car and had to be put under, He gave me a framed picture of Rainbow Bridge and made me a white cross for my dogs grave. R.I.P. Roland. I only knew you to be a kind and gentle person.

I've known Mr. Roland practically my whole life but really got to know him when I met his daughter Nikki. He was the best dad to Nikki - I always admired their relationship. All I can say is that he will be missed. Much love!
