Lillie and I have been friends since our school days. Over the years, we often talked on the phone during the evenings, and we would talk about a lot things--our families, friends from years ago, and things we still wanted to do. She was a peaceful person and never seemed to have a disagreement with anyone. She felt like a sister to me. I will miss her dearly. My heart goes out to her son and extended family. I pray that her family continue to stay in prayer. God bless you all.

Just found out Lillie went on to be with the Lord. When us Griffith boy's were kids Lillie used to watch us. I always remember that when you wanted something to eat, Lillie would fix it for us, but if you didn't finish it--it went into the refrigerator for later. So the next time you wanted something to eat, you had to finish that first. I will never forget that. She was really a lovely lady.
