Debbie will be missed by many of her elementary, jr. high, and sr high school friends. I was fortunate enough that Debbie and I were in every class together. We always swapped our lunches (mine pjb and her tuna fish). We got together when I visited Maryland and spent precious time with her and Mike. I always loved her posts on facebook! Deb, you are now with the loves of your life. Rest In Peace my friend and please save all your tuna sandwiches for me! You will no be forgotten - love you very much! My heart is hurting!❤️

There are so many memories that our family has shared with Debbie. Halloween was one of my favorite times. Everyone would come to WV and we dressed up and cooked outside with a big fire. Talked about whatever came to mind. I will miss Debbie's laughter her love for life and her strength and her love for family and her animals. Bob always loved picking on Debbie about the bears in WV. We love you and you will be in our hearts forever.

I was blessed to have worked with Debbie for about 8 years at Superfresh. She was always upbeat and never a harsh word to say about anyone. We didn't see each other much after our store closed but looked forward to her posts on FB. RIP Debbie! I will sorely miss you! ❤️
