Dear Jones family. I am very sorry to have read of the recent death of Richard. Please accept my sincere condolences. I would like to share something that I have personally found to be very comforting. It is found in the Bible at John 5:28,29 and Revelation 21:3-5. These verses tell us that soon God is going to bring about a resurrection of our dear loved ones, as well as do away with all of the many causes we have for suffering, including pain, sickness & death. Knowing this has always comforted me and it is my hope that these thoughts will likewise comfort your family also during this most difficult time in your lives.
