**Pauline & Arnold Spicer** posted:

We know that Naomi will be missed by her family. She would do anything for the family. She was always a soft place for her children and grandchildren to fall when they needed to lean on or talk to someone. Pauline and I were just musing over all the trips that we took together with Naomi and you. There are too many to list. We still have good memories of the travels. Our deepest sympathy to you and your entire family. We'll see you on the 25th.
