My deepest condolences to the family for this tremendous loss. May the words found at Isaiah 26:19 bring you comfort in knowing that you will one day see Bill again. Isaiah 26:19 "Your dead will live. My corpses will rise up. Awake and shout joyfully, You residents in the dust! For your dew is as the dew of the morning, And the earth will let those powerless in death come to life"

To Linda and Family: I am so sorry to hear of the loss of your loved one. I have known you and Bill for a very long time. He was a very nice person and a hardworking man. It is truly a great loss for you as you and Bill loved each other so very much. I can remember the first time I met Bill, I liked him right away. He had a way of making you laugh and making you feel comfortable. I am sure he was well loved by many and will truly be missed by all. The bible tells us that the dead will be resurrected. Please look forward to that time. Until then, may your entire family be comforted and blessed.

Jack Alexander lit a candle in honor of William "Bill".

I knew and indirectly work with Bill while he was with Perdue at the the blending plant in Seaford and I was working with formulation and QA in Salisbury. He was one of the most kind-hearted and honest individuals that I have had the pleasure of working with over my 40 years in agriculture. He had a wonderful sense of humor and I could always trust him to be my second set of eyes. Heaven has truly gained another angel. He will be missed. My heartfelt condolences go out to his family and friends.
