I loved uncle Leonard very much, I did not get to spend much time with him but when we were together I enjoyed our time, even marching up the steps in Rhode Island. I will truly miss him. May he rest in peace.##imported-begin##John Camaerei##imported-end##

My heart and prayers go out to the members of the Riccio family. I have such fond and loving memories of dear Uncle L.J., as we called him growing up in Rhode Island. He not only had the gift of a green thumb in his garden but he was blessed with the most loving heart. He and Aunt Betty were my only extended family growing up and I will never forget them. Please know that I love you both. My deepest sympathy to Aunt Betty and the rest of the family. Sincerely, Pinky Chandler
