Good-bye, dear friend. This morning is the day of your memorial service. It is a time to celebrate your life. One of a warm, generous man who had a big heart. A Wonderful, gentle man with an unforgettable smile. It was an honor to have known you and I'll always cherish our memories deep within my heart. Dear friend, I will never forget your kindness and loving ways, and will always cherish our time together so many years ago. You will always be a part of my life. May you rest in peace. Mrs Willey, may the memories you hold deep within your heart help to soothe you now during this difficult time, and beyond. I'm so sorry for your immense loss. And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying. Neither shall there be any more pain: for the former things are passed away. ##imported-begin##Lyn Bramble##imported-end##
