I just wanted all of you, the family of a very special lady to know that I am so sorry for your loss. I enjoyed working with Mrs. Kathleen. We really had some good times with laughter and the bad times with a few tears but we got through each day with saying I will see you tomorrow. Her smile, that's what I can see now. She was loved by many especially me and I will never forget her. You are in my thoughts and in my prayers.##imported-begin##Donna Breeding##imported-end##
