One year, it's been one year. It seems like just yesterday us kids were begging you to make us 'oddles-n-noodles.' When you would yell at all of us for asking if we could get in the pool at 6am. I miss all the great times, but most of all.. I miss you. I miss seeing you every morning before I had to go to school. I miss your smile, your laugh and everything about you. You were an amazing woman and you weren't afraid of anyone or anything and you were the most outspoken person I know. I know your up there resting in God's arms and probably looking down here at all of us and telling us to be good. Just like you used to. You were the most kind hearted person I knew and now without you here. If feels like I've lost another half of me. I love you and miss you so much Aunt Dawn. I'll see you someday.###imported-begin##Tara Larrimore###imported-end##

There isn't a day that goes by that I don't think of my aunt Dawn. She was such a fun and happy person to be around and I miss all the fun times that she shared with the family. I especially miss going to her house every summer and all of us kids begging her to let us get in the pool at 8am. So many good things to remember about her but I just wish she was still here to make more memories with us. Aunt Dawn was like my second mother because I knew if there was something that I needed than I could ask her. I miss you and love you aunt Dawn. You will never be forgotten.##imported-begin##Tara Larrimore##imported-end##

Dawn was such a sweet person that loved her family very much. When I moved to Federalsburg Dawn was one of the first I got to know, she made me feel like I had been her lifelong friend. I am very sad to know the pain that her family and close friends have to deal with everyday. My heart goes to them and I know that Dawn will touch all of them each and everyday in memories. I regret that with our busy lives that we didn't keep in touch more the past few years, but I know she was a very happy woman for having such a wonderful family and beautiful children. We were blessed knowing her. Dawn I will miss you!!!##imported-begin##Shannon Jester##imported-end##

I met Dawn and John when we were all in middle school. Gosh that seems so long ago. Dawn and I went to youth group together at Park Lane and attended many skating nights. We had so much fun. I had the pleasure of taking care of Tabby one night at the hospital and just remember the love in Dawn's eyes and patience with her as she had to get several tests done. I know Christopher, Tabby and John were her life. I know she suffered and was in a lot of pain. But God says he puts us through these things so we can share in his glory and happiness in heaven. I know that is where Dawn is. My heart and prayers go out to the family.##imported-begin##Katrina Thomas##imported-end##

I have known Dawn since she was 8 yrs. old. She was like a little sister to me. Her family is like a second family to me and my heart breaks for all of them. I only hope the comfort of knowing that she is no longer in pain & is whole again will help to ease some of the pain for those she left behind. I love you Dawn and you will forever be in my heart. Thanks for all the great memories. To the family: you know we love you all and we are here for you.##imported-begin##Tammie Elms##imported-end##

Dawn was a great person, we have been friends for along time , with good times and bad but more good than bad, although we hadnt talked in a while I still considered us friends. She didnt deserve to go through the pain that she went through, I would like to let her family know that I am very sorry for their loss, and that my heart goes out to them, I know the pain that they are going through for it has only been 3 months since we said good bye to my beloved dad. If you need anything let me know I will do anything to help.##imported-begin##Shawne Evans##imported-end##
