R.I.P. Wade.To: AlanI can't comprehend just how sad you must feelFor the loss of someone you love.This sorrowful time must still feel unrealAnd you're looking for strength from above.I hope, from my heart, that your pain will decrease,That your spirit will gain strength again,And I pray that your faith will create inner peaceAnd that God will send blessings--Amen.Till then, if you need me to lighten your load,I'm waiting to come to your aid.Just call on me, and I'll walk down that road,Until the dark times start to fade.I love you Alan. I had known Wade and Rosie for a short time but Wade was always a very respectable person to me. He was getting ready to do some fence work for me. He was very happy with his business and told alot of pride in his workmanship. He was just a great person and i am honored to say that i had the opportunity to have met Wade. I had a pick up for sale and it was a little rough but afew weeks later i seen the truck and he had it looking really good. I was so shock to hear the news and my heart goes out to Rosie and the entire family of Wades, all i can say is you had a nice Son, Father, Companion,Brother, Nephew, Uncle and a great friend i was glad to have known Wade. May you Rest In Piece my friend.###imported-begin###Debbie Webb###imported-end##
