I am so sorry to hear about Carol's passing away. I graduated High School with Carol and have not seen her since. We use to live across the street from each other, growing up. What a hoot Carol was! I use to ask her to sing for me. We were Tom Boys and use to climb trees together. I have a picture of her making snow angels one year(1978), I think. Please know my thoughts and prayers are with you.
