To the family; I do not know how you feel, or am going to try and act like I do. I do know that she was loved by a lot of people myself included and will surely be missed. I cannot imagine the heartache that all of you are going through. Mom, Mr. Billy, Mike, Faith, Vincent, Ty, and Bri; you guys know that I love you all and you are my extended family and are and have been in my prayers. Im only a call away if you guys need me, I might not make it tomorrow, but I will be there in spirit, if I cant. I Love you all very much.
