Gregory was a fighter to the end. He never stopped fighting the cancer that took his young life. So full of life; he was planning his next flip and planned on retiring by the time he was 50. I will miss him so much for the rest of my life but I am glad that he is no longer in pain. You brought me such happiness; I loved you so much. Will see you again on the other side.

I didn't know Gregory but I do know his sister Maria. She did talk of her brother and loved him very much. Maria is a good friend and very loyal. If Gregory was anything like his sister he was a good person. My condolences extend to all in the family.
