To very sweet lady who I will miss but I'll never forget you. You were like a mother to me when I was little. Always got on me when I did wrong and I appreciated that. Always gave me good advice on life. You were the last piece of my father that I had left. I will keep you with me as well everyday just like my dad is still with me. I'll have the both of you guiding me through life. Love you Ms Shirley ❤️
