My dear sister was a loving and gentle soul . She was blessed to have a good and gentle man as her husband for most of her life who cared daily for her when she could no longer care for him or herself. She gave life to four wonderful and caring children who loved her dearly. She adored her grandchildren and Great-grandchildren . She lived a good life and is now in the loving arms of GOD and family that went before her.I love you my sweet Sis 🧑❤️
