So Long to my Friend I will miss you my Friend, so long. Brenda was funny, dry funny. She was Honest & Frank. Sometimes to my own regret. In High School, Brenda could strip you down with words, not all of them unspeakable. Only in the last decade had we reconnected. I think our roles reversed... Because of the tenor of her tongue, I began to call her "Church Lady" She would strike back by calling me by my middle name. I will miss her Brenda, a mutual friend of Vanessa & me helped us to reunite after decades, a debt I will never repay. (Thank you) But I think Heaven just got a Morning Star. Go with God, Church Lady. With sincere condolences to the family and friends Vanessa Bolden / Ralph Jones

Brenda was a best friend to everyone especially to me and my sister. She touched our family in many ways even during sickness in my family. Many stories were shared personal and private and she is carrying them to Glory with her. Brenda would hold any baby that she would come into contact with. She was my best friend always. When Brenda would get laughing it was so hearty. I loved her but I do realize God chose the best. My prayers are with her family especially Lillie who always welcomed me and my sister in her home. 💞My friend for over 40 years....so many laughs, conversations, secrets shared, recipes shared and some NOT shared (her potato salad, and goulash), eating out or eating at her table, talking/texting everyday, and just growing older together.....definitely missing her. Brenda was loving, caring, kind, and so generous to so many people. On the other hand, when something wasnt quite right, she had a favorite phrase that I ALWAYS knew she was gonna say...and boy, she would say it and we would laugh until we cried!!! I will miss her forever, but I am confident that God does all things well. I pray that God will comfort the family and we'll all understand it better by and by. Love you Brenda💞

I worked with Brenda for 4 years on the 12-8 shift at MD Plastics. We had lots of laughs together to try and stay awake. I live in Florida now but when I learned of her passing, I thought about after I left MD Plastics, Brenda, Sylvia, Eddie and myself would meet up and have lunch at the Pizza Hut in Seaford often just to keep in touch and talk about how each one of us was doing. I lost touch when I moved to Florida but often thought about the fun times at work. My prayers and thoughts go out fo her family and I know she will be missed. Baron Camper

To the family of B.J. one of the most caring and loving persons who would tell you just like it was I could not believe it when a friend called me to let me know she had passed. We had several conversations about many things and if she didn't see it that way she would let you know immediately. I believe when she gets to Heaven and things are not what she thought it would be like she will speak up and let someone know. How can you not like a person who besides being beautiful and kind to everyone Also has the heart to honestly and respectfully disagree. B.J. if you are listening and that smile comes on your face you know Yes you know. Lovingly submitted Arnold H. Vann
