She always enjoyed spending time with her grandchildren and made each one feel special and loved. I am so sorry for all of your great loss. There is peace in knowing she is in the arms of the Lord. Please know that I will keep you in my prayers throughout each day. I remember visiting you in Delaware and loved being around all the girls. I was in between Goldie and Glenda in age and loved playing with them. Those times and others at Yoder family reunions playing with others cousins, altogether, made for unforgettable memories. I think and feel it, that the Lord will be coming back soon for us, this shortening our wait for our final and permanent eternal reunion with our Creator. I love you all, although it seems like our visits are too shot and rare. Love and prayers are coming your way.!! Mary Ann
