She loved animals and it broke her heart to see TV ads of neglected and abused animals. She would be honored if anyone gave to their local animal shelter or SPCA.

My name is Barbara Smolinski, I am the daughter of Sara Price White (Vincent) I remember as a teenage or somewhat younger Aunt Marian as a very kind and sweet person. She was always willing to help us kids and fix us something to eat. I remember her as being tall and slender. She seemed more at ease around us than the adults. As a fellow animal lover I am happy to make a donation to the Princess Anne animal rescue/shelter in her name. It seems her kind heart extended to animals also as does mine.
