# Tracy Lynn Kaiser

AUG 26, 1959 - AUG 13, 2020

**T**racy Lynn Kaiser passed away peacefully in the early morning hours of Thursday, August 13, 2020 with her beloved husband, Dan, by her side.

Born in Milford, Delaware to Ronald and the late Ruth Ann Hamstead, Tracy was raised in Greenwood. Tracy enjoyed being outdoors and spent many weekends camping, reading, enjoying the beach, or sitting by the pool.

A devoted daughter, mother, wife, sister, and grandmother, she cherished spending time with her family and many friends. Even during the most difficult days fighting her battle with ovarian cancer, she could often be found writing personal notes, sending cards and gifts or making someone their favorite meal in order to make others feel happy and special. She had a quick wit which will be missed greatly by those who were lucky – or perhaps not so lucky – to experience her amazing sense of humor.

Tracy worked for the State of Delaware for 25 years with the majority of her career serving with the Delaware Lottery Office. She retired from the state in January of 2020.

Tracy is survived by her father Ronald Hamstead of Greenwood Delaware, her husband, Daniel Kaiser of Camden, Delaware, her daughter and granddaughter Jenna and Juliette Ferber of DelRay Beach, Florida and her son Michael Schwartzmeyer, Jr. of Thornton, Colorado. She is also survived by her siblings Jerry Hamstead and his son Cole of Landenberg, Pennsylvania and Lori James and her companion Leo Gracie of Dover, Delaware.

A socially responsible visitation will be held from 11:00 a.m. to 1:00 p.m. on Tuesday, August 18, 2020 at the Framptom Funeral Home, Greenwood, DE, followed by a funeral service at 1:00 p.m. Interment will be at the St. Johnstown Cemetery in Greenwood, Delaware immediately following the services. Thank you in advance for wearing a facemask when honoring Tracy.

I feel so lucky to have worked with Tracy for so many years. She was always the voice of happiness whenever I talked to her about a White Pages survey or a quote I needed from Vern. I felt so lucky to get a chance to interact with her. I am so sorry for her family's loss. I read her daughter's remembrance of her mom and it made me cry. Clearly Tracy brought sunshine to everyone in her sphere. God bless her.

I met Tracy in college and became fast friends. She was a stunning beauty, who was so much more than just a beautiful girl. She was kind, Caring, super witty and just a Fun person to be around. We tried to stay in touch as we raised our families, but ultimately lost touch many years ago. As I look through the pictures here, it's sad to see the toll this disease took on her body, but it didn't dampen her smile. Rest In Peace my friend. Jinny (Mears) Bird

A dear friend for almost 40 years. We shared almost our whole adult life together and have so many amazing memories. Tracy is one of the strongest women I know who fought harder than anybody I know. A beautiful daughter, mother, sister, wife and friend who will be missed by many. Rest In Peace my dear friend.

Mom I miss you every second. You were the best mom any child could ever ask for. I've wanted to pick up the phone 20x and call you since you've been gone to realize that I can't call you anymore. One of my favorite past funny memories was when I in middle school and we were leaving the school from pickup and your sandal slipped off your foot when you went to stop and you rear ended the car in front of you ( we were none hurt) but you got out of the car and we're laughing so hard the women couldn't even process the fact we hit her and didn't do anything but let us leave the scene. I love you so much mom. Your light will forever shine in my heart. Love Jenna

I met Tracy over 14 years ago and had the privilege of working with her for a few years with the State of Delaware. She was one of those beautiful souls, that when you first were in her presence, you knew that Tracy was special. As a mutual friend conveyed to me on learning of her passing..... Tracy was unselfish, uncommonly kind and one of the most caring people you would ever know. I was so proud of her tireless fight for the last several years during her news that she was given that none of us ever want to hear. My condolences to her entire family including her family at the state office that she worked out for decades. She will always be remembered and deeply missed.

So sad that Tracy passed. Thankful she is healed and with the Lord and her sweet Mother. I'll never forget working at Elmer's market when we were in high school and she got caught eating cherries in the walk-in cooler. Her famous line is "I bet I thought sin was in here eating cherries"! Not thinking about the fact she had braces on and there were cherries all in them!! We laughed so hard about that even up to last week! Love u and will miss Tracy! 🥺🍒🍒

Our parents were in high school together and all of us "kids" rode the school bus together. Dad and Ronald giggle like little girls when they reminisce. I remember a story about Tracy working at Hardees and she was sent to the cooler to count pickles. Can't believe she told everyone!
