Joseph Michael DiJoseph, III

DEC 10, 1961 - AUG 28, 2020

It is with great sadness that the family of Joseph Michael DiJoseph, III announces that he passed away peacefully in his sleep on Friday August 28, 2020 at the age of 58. Joe was born on December 10th, 1961 in Bryn Mawr, Pennsylvania to Joseph M. DiJoseph, Jr. and Mary Ann DiJoseph (nee Roscioli). Joey is the loving father of Stephen Marley DiJoseph, his greatest accomplishment.

He graduated from Upattinas School in 1978 making many lasting friendships there. Joey worked as a painter, chef, caregiver and an avid gardener.

He enjoyed fishing and would spend many hours at his favorite fishing hole. He also enjoyed taking rides with the windows down with his favorite dog Lexie. Joey was a devoted Grateful Dead, reggae and Allman Brothers fan along with many other musical genres. He also enjoyed attending different festivals and craft breweries. He had a taste for life.

Joey had such a kind and compassionate spirit and was always there to lend a hand. He always doted on his family and loved spending time with them and sharing funny stories and his knowledge. He was a genuine friend to all that knew him.

Joey will be lovingly remembered by his son Stephen Marley DiJoseph, his father Joseph M. DiJoseph Jr., his mother Mary Ann DiJoseph (Roscioli), sisters Michele DiJoseph Simmons, Suzanne DiJoseph Weiss (Skutzie) and several nieces, great nieces, nephews, aunts, uncles, cousins and friends

A Celebration of Joey's Life including a service will be held at 3pm, on Saturday, September 26, at the Tilghman Volunteer Fire Department. Luncheon to follow service.

Every time we got together, it was one of the best times we both had, always! Fun, music, good drinks and talking about things best friends do. Our last conversation just a couple days before God took you into his hands, was joyous, laughter and just silly! You are my brother, one of my most trusted friends ever and was always there for me. I love you and will see you on the other side when I get there. RIP Seppie' 🙏

I have so many memories of Joey while we were growing up. I consider him my brother. He loved science and how things worked. I spent hours with him during summer vacations over the years just talking and asking him questions. He always listened and had great advice. I remember saying to myself many times, I have to ask Joey about this or that. He always had a story to tell. He also loved his family so much. When I think of Joey, I think of friendship, family, cooking, Dark Shadows, Dracula, rock tumbling, making up silly names for his sisters (me included), Allman Brothers, Three Stooges, Upatinas, Aunt Nancy and Fritter, MomMom Roscioli, and him pinching his moms cheeks the Italian way and saying Oooo...I just love you sooo much. Until we meet again big brother.....

I hold many fond memories of Joey while attending Upatinas and the school trip to Texas. He loved music, concerts and I loved to hear him sing. Joey will always have a very special place in my heart.
