I'm so sorry to hear about Nita we grew up together my mom and her my mom were childhood friends. Nita and I together grew up becoming good friends from childhood all the way to adulthood. I ran into her over the years and it was great to see her and we talked for a long time. They family were good friends of the Depew family and our memories will live on as well. My prayers to her family in this time of sorrow. She always had a big smile and brighten the room. We shared the chicken poxs together when we were young because we shared a close friendship at that time and we had sleep overs at her house and mine . She will truly be missed by all who knew her. I'm sadden to hear her about her passing. She'll live long in our memories. R.I.P. Nita . God be with her family.
