To the family of our classmate and friend Charles Brummel Jr. We graduated together from Lockerman High School in 1953. Charles was known as quiet but a very good student and a friend to many. At this time there is no greater remedy to ease the sorrow of today, than the remembrance of good friends and the good times of yesterday. As you walk through the time of loss, may you know the Lord walks with you and he will comfort you. With caring hearts and deepest sympathy, the 1953 class of Lockerman High School.
