Tom was one of the good guys in our MP Company - I don't ever recall him speaking badly about anybody. He was a professional who was always ready to the right thing, never shirking from his duties. For a time, he was my Desk Sergeant and he never once failed to back-up his MP's. A true, "Of the Troops, For the Troops," kind of guy. Nearly 40 years later at one of our MP Reunions, there was Tom - the SAME Tom as before with a quick smile and a firm handshake. Rest in peace brother.

Tracy Harding posted:

Tom was a great friend to me. He and I went to college together and car pooled. We studied together and he was always there with a helping hand, a voice of support or a prayer. Tom you are missed my friend. Expecting you to greet me at the gates. Thoughts and prayers to his family. ❤️

Gods rest to you brother. I served with Tom in the Army several times in the 70s and 40 years later we got back together like we had never been apart. Gonna miss you Sarge. One of the kindest and toughest men I've ever known. Cared deeply about all his friends. A soldier, an MP, a fireman/ emt, A preacher, and a civilian Police. One of the best the world was priveledged to know.
