Ted, Leslie and Phil... I'm at a loss for words. All I can think of is that Larry & Linda are together again. What a wonderful couple they are. They were so proud of you Leslie and Phil, and adored the grandchildren and great grandchildren. How blessed you were to have them as your parents. And Ted you were blessed with a wonderful brother. They are now your Angels watching over you, looking down smiling with pride at the wonder family they have. Love and hugs to you all. Joy & John
