My memories of Faith are at the football field and at cheer competitions. My daughter Hannah and her were always good friends. And spent time together having sleepovers with the rest of their girlfriends. I'm sending prayers out to Faith's family and to her girlfriends that are feeling the void of her being gone.

I'll remember you always, that smile and that attitude. Gone way too soon. I hope you are in the arms of your mother. Until we meet again. See you later.

I remember your smile as a child and your constant energy. You would light up a room and always have time to play and wrestle with "whit". Definitely gone too soon but I truly hope you're at peace. Love you Feeth
