Deanna & the Thomas family...It really was a shock to read of the passing of Karl. Met Karl when I started at Solo Cup/ Dart Container 30 years ago. He was one of the good guys, no matter what was going on always had a smile. You will be missed by all that knew you. Deanna just take comfort in knowing he is in a better place. RIP Karl

To Kathy and Sandy and Krystal and Deanna - Jack and I are so sorry to hear of your loss. Cancer is such a horrible disease and snatches our loved ones away well before their time. It is no respecter of age or position and, even though you've been with Karl every step of his journey, you can never truly understand what he went through. That's why we put our faith and trust in our Lord and know he carries these hurts and tears and anger and disappointment so we don't have to carry them. Hold your memories (and each other) tight as you face the coming days and know in your hearts that our Loed will see you through. Jack and Debbie Stafford
