To Dan, Devon, Dustin and family - we have many special memories of Abby. Being in church fellowship with you all was special and our 2 oldest sons were friends as same age through Sunday school, bible school, Awana etc. Abby was in our wedding at age 17 as 6 yrs younger than me. So special! We visited your home many times and seeing Abby's decorative talents was always inspiring as well as the food prepared for us. So much appreciated! We witnessed her desire and drive to help those in need, in brokenness from addictions and other issues: She was there to help me, and Encourage me in a time of crisis As well as you Dan. Abby was so giving and thoughtful and selfless! I always thought of Abby in my younger years as quiet and shy, like myself- however through life experiences, She learned to become bold and Determined and made a difference! Doing what she needed to do as a Child of Christ to make a difference, And in protecting her children and grandchildren. From what I heard today, I can only say her unconditional love towards Others is so Christlike. As your family hates to see her go, And As you are mourning your dear wife, mother, mother in law, grandmother- she is your guardian angel forever! And that the most sweetest being on this earth deserves to meet her Heavenly Father is so precious and you will all be United with her again. Prayers, comfort and strength to you all!
