Not sure where I would begin with a memory of my Momma Rose. She was a true "Mother" in Law to me. When my Mom passed away, she was right by my side and never left me. What a true blessing to my life. We did little crafts together the eve of Thanksgivings and would laugh at the craft when we were done. The day after Thanksgiving we would bake fruit cakes together. The Thanksgiving holiday will not be the same without her. I miss her already and love her so very much!

I remember Mrs. Miles and my mother were good friends and she would always help me decide which ice cream to choose and milk for lunches at Sts Peter & Paul School. I also was in the same class with her son Vernon. Condolences to the family.

Ms. Rose it seems unreal that you are gone. I know that you were graciously welcomed by Jeff and Mr. Vernon but we were not ready for you to go. I had some of the greatest moments with Becca and your family and I will never forget helping you with Becca, Jeff and your husband. You were so very loved and will be missed. I will be sure to share some more crazy times with Becca and I know you will be watching over us. Rest easy Ms. Rose.
