Linda May Allen

NOV 27, 1947 - OCT 17, 2021

Linda May Allen passed away Sunday evening, October 17, 2021 at her home in Cambridge, MD with her husband of 47 years Robert "Bob" Allen at her side.

She was born November 27, 1947 in Cambridge. She grew up on the family farm on Chateau Dr. East New Market where she later raised her family. Linda was preceded in death by her parents Howard and Ruby Smith also of East New Market, her brother Wayne Smith and baby sister who passed at birth.

In addition to a loving wife to Bob, she was the mother of two sons, Robert J Allen IV, husband of Laura Allen of Crozet, VA, and Dr. Patrick H Allen, husband of Dr. Michelle Allen of Cambridge, MD. Known affectionately as MaMa, she was the proud grandmother of four exceptional grandchildren, Mason and Lila of Crozet, VA and Kaylee and Kellan of Cambridge, MD. They filled her heart with joy.

Linda graduated Salisbury State University after raising her sons, and spent her career as an elementary educator and later mentored new teachers in Dorchester, Talbot and Caroline Counties. Students remember her fondly as a kind and devoted teacher who could quickly unarm an unruly student with "the look."

A child of God, Linda served her Lord as a communicant at the Christ Episcopal Church in Cambridge. Family, friends and the larger Dorchester County community meant the world to Linda and she deeply cherished those relationships. She was loyal, fiercely independent, and honest to a fault. Kind, forgiving and gentle, she cared for anyone who needed help, freely offering a smile or words of encouragement.

Linda had an unparalleled zest for life. Wicked smart, stylish and adventuresome, she never met a boxer dog she didn't love, and made friends everywhere she went. That one of a kind unmistakable laugh drew people to Linda but it was her humble and giving personality that formed so many life-long friendships and made her beloved by all those whose path she crossed.

I am truly heartbroken to learn of Linda's passing. My sincerest sympathies are with her family. Linda was a colleague at Denton Elementary as well as my son's fourth grade teacher. I was her Room Mom and developed a wonderful friendship during that time. When my son passed away, Linda was one of the first people at his service. She had not changed at all and her touching gesture meant the world to my family. She had such a light and was so full of joy. Linda was a gifted teacher and a loyal friend. Her wicked sense of humor was always good for a much-needed laugh. She absolutely adored her family, and loved sharing stories about them. Linda touched so very many lives, and Heaven has truly gained yet another beautiful angel! You are forever loved and remain always in my heart, my friend. Barb Callahan
