Debbie, JC and the boys were neighbors for several years. I so enjoyed watching Aaro and Jason grow and thrive in their family. So many wonderful memories. My heart breaks for them. And the pandemic makes it that much worse because we really can't visit and grieve the way we are used to. Please know you are in my thoughts and prayers.

Big hugs to you, Debbie, JC and the rest of your family. Chico's loss will be hard but learning to live without him is going to be even harder. I never saw that young man that he didn't have a big, ornery smile on his face. Any conversation with Chico left you with a big, hard, belly laugh. He conquered his rough start in life and contributed back to his community and prospered in life's challenges. One day your precious memories of Chico will bring smiles back to your faces. Keeping you in my thoughts and prayers. ❤️👤
