Comments were made about Sonny love for a shiny John Deere tractor, which reminded me of the time Norma and I came to visit ,and I saw what I thought was a new shiny JD mower and Sonny said it was 8 or 10 years old. I told Norma, "I bet he even polishes the under deck and blades". Some years later I bought my own new JD tractor/mower and the day it was delivered I commented that it was new, but not as shiny as Sonny's.Love to cousins Anne, Holly and Krista. May the Holy Spirit be with you healing your hearts.Bryan and Norma Steilkie
