A few years ago, I was residing in Federalsburg and going through a very difficult personal and financial time . Due to some mis-communication and bad timing. I was spending Thanksgiving alone with nothing but a jar of pickles. A knock came upon the door, it was Jamie Shufelt with a full turkey dinner and even dessert . He said, Mom and I were thinking of you .. He was one of the kindest persons I ever knew A man with a generous heart. It was my Honor to have known him and called him friend .. He will be sadly missed

I can certainly say that was something Jamie would do and his mother, alike, when she was living and well.As a boy he was a kind well mannered boy who continued into adulthood caring about others with his way of providing support and kind deeds. He had various health issues that made him more unwell until he was unable to heal. Jamie was great guy who will be missed by many. Amen 🙏

My prayers are with Lisa, I remember Jamie as a young boy growing up. His grandparent Shufelt where good friends with my parents. I rode the same school bus with Roland, Brother and Ralph. Betty was a special lady .
