Sheila I can't believe you are gone. I just saw you the day before and you looked great. We have been friends since we both worked at Wal-Mart. I always liked it when you answered the phone or waited on us at Rite Aid. You always knew who we were and who we were picking up for without even giving our names. You will be missed our dear friend. Keep smiling cause we will see each other again. You will never be forgotten.

Shiela, you have been such a wonderful co-worker and "Friend" to me since I came to Riteaid 13 years ago...I will always remember our long talk we had the last night we worked together. It is like we were sisters but not. So much alike, with our cutting up and devious ways. You have been heavy on my mind and heart my sister this last week. I look forward to the time we can see each other again. Love you. Cheryl

There are no words to express how you are going to be so deeply missed by everyone. I will forever miss your spontaneous phone calls at midnight, laughing our butts off about something you saw, did or said. Talking about the good ol'times growing up and the trials and tribulations life threw at us. I am so ever grateful for the effort you put in to keeping in touch and making the time to spend with me when I came to visit! Our last time together you were my co pilot coming home from Layton's winery as we drove Shelly and Chris home. We laughed, sang and car seat danced! You will be missed my dear cousin! Always on my mind, Forever in my heart Sherry
