Oh how this touches my heart. Linda was one of my most favorite people to work with. She was smart, fast thinking, and truly cared for all she came in contact with. God bless her family and the beautiful person she was.

Ms. Libby was always so kind. I remember our talks in the nurses station and loved seeing which pin she was wearing on her jacket. She will be missed.

Linda was a wonderful person to work with & didn't have a mean bone in her body. We used to have some really nice talks on night shift when she was Supervisor at one hospital & I was at the other. I wasn't aware she was ill but I'm glad she is at peace & she is with her beloved husband Peter. RIP Ms. Libby!
