When I think of Chris words like dedicated, loyal, caring, detailed, and a supporter of others come to my mind. She was dedicated in her role in advancing the Talbot County Emergency Management program with Ed Mullikin the Director for many years, never in the spotlight but making sure the "I's were dotted and the T's crossed." Chris touched many and was always willing to help others. I remember how she would light up when talking about her family, especially her daughter and grand baby who she loved so much. I am grateful for my time getting to know Chris.
