## **Janet B. Hammed**

AUG 8, 1944 - MAR 19, 2022

**J**anet Brown Hammed passed away peacefully at her home in Bozman, Maryland on Saturday, March 19, 2022. She was 77 years old.

Born August 8, 1944 at Memorial Hospital in Easton, Maryland, she was a loving wife, sister, aunt, and cousin. She was generous, kind, and a friend to all.

A lifelong resident of Bozman, she was the daughter of Clyde and Mary Louise Brown. On November 13, 1965, she married the love of her life, Vernon Lee Hammed, whom she described as her best friend, supportive, intelligent, humorous, family oriented, caring, respectful and loving.

She is survived by her brother Ralph Brown and his wife Joann of St. Michaels, her niece Susan Teneza and her husband Eric of Lutherville and her great nieces Miria Teneza of Sterling, VA, and Temari Teneza of Lutherville, as well as many cousins, nieces, and nephews.

She graduated from St. Michaels High School in 1962. She was looking forward to her upcoming 60-year class reunion in May. She truly enjoyed connecting with people and looked forward to events such as the alumni reunion to catch up with everyone. After high school, she attended Towson State University and later began her career as a lab technologist with Dupont in Wilmington, DE in 1966. Later, she would find her calling with the Maryland Department of Natural Resources. She worked at the Oxford Lab as a marine histologist for several years where she would find her passion for helping preserve the ecology of the Chesapeake Bay. It was at the Oxford Lab that she met some of her closest friends. She returned to Towson University in the late eighties where she earned her Bachelor of Science degree, Cum Laude, in Mass Communications. Upon earning her degree, she continued her career with the Department of Natural Resources in Annapolis as an Administrative Officer. Janet took an early retirement from the state in 1995 to care for her mother who suffered from dementia and Alzheimer's disease.

Janet was my cousin on my grandmother's side (Emily Edinger). We lived in Bozman on River Road. She was always an inspiration to me! She will be missed by many people.
