So sorry to see you are gone. My prayers are with the family and many friends of Clara Lynne Saunders. We do have many memories, especially when we were all young. But as we grow in life, we never dreamed when we were young, what pain and sorrow would do to each of us as we grew in age. We have pain and sorrow on this earth, but God said no more pain and sorrow would be in heaven. It is said to see our love one go, but one thing Clara is not in pain no more. May God comforter you thru thiis time of sorrow. May his blessings be upon you. You truly will be missed. Victoria Sanchez (Austin)

Clara was one of Mansfield family that was just like a true sister to the Austin family. We were all best friends forever and their whole family and our whole family would get in one station wagon and ride around all the time traveling and going to each other houses. It's so not fair for your life to be taken by the nastiest words called cancer. But no more suffering and pain. Other then your family and friends find mom and dad and Karen and tell them we really do miss them all. Love you Clara!
