Joseph Michael Campbell

OCT 7, 1968 - JUL 3, 2022

It is with great sadness that the Campbell-Wagner family announces the death of Joseph Michael Campbell, known fondly to the world as Mike. He passed on July 3 at home with his wife Jen by his side. He was born on October 7, 1968 in Wilmington, DE to the late Doris Schadt and Dr. Joseph Campbell. He grew up in the close-knit community of Galena, MD with his siblings and many folks who became lifelong friends. He graduated from Cambridge South Dorchester High School in Cambridge, MD in 1987 and directly joined the United States Marine Corps where he proudly served his country for 6 years. Mike continued to serve his community as a paramedic and an acupuncturist. Mike fully believed in engaging in the adventure of life, and began creating driftwood sculpture after meeting a local woodworker during one of his many trips to Belize. He was a loving and committed father to Mason (Alex), Mackenzie and Collin and stepfather to Stephanie and Selene. He is survived by his siblings Tony Campbell, Tracy Onslow, Tim Campbell and Robbie Rice as well as his nieces and nephews and not to be forgotten, his beloved beagles, Betty and Barney. Please join us in celebrating his life Sunday, July 10th anytime between 1-4 at Foxy's Harbor Grill, 125 Mulberry Street, St. Michaels, MD. In lieu of flowers, donations can be made to the Mid-Shore Pancreatic Cancer Foundation, Inc. at www.midshorepancan.org

Mike was a great friend growing up and in high school. So glad we had reconnected and kept in touch through Facebook. So sad I missed his memorial but happy he is no longer in pain. Sending lots of prayers to Jen and his family.

So sorry to hear this. Mike was recommended to me for getting acupuncture. As I became a weekly patient I also met his wife Jen and daughter Salene. I just remember his kindness and patience to me and other patients and how much he loved his family. My condolences to all.

Mike (and Jen) was the kind of neighbor everyone hopes for. He was happy, easy-going, widely knowledgeable and caring. You knew that if there was ever an issue, just call Mike. And the woodworking talent - I used to wander over to see what he was doing and was always amazed. We have three of his creations and other folks have many more. He will remain with all of us through his art.
