My memories of Tyler were always great ones!!! Funny ones!! He was a nice kidalways respectful when he was around. Usually saying something ridiculously funny to make me shake my head and think ...Wow ..his mom must never stop laughing. He was polite....you knew he was raised right, even though he was all boy !!!!! He was a cutie and as the boys grew up he turned that cute into charming.....always speaking and smiling that smile when he walked in. I'll always remember Tyler and what a great friend and silly mess he was.
