Rest In Peace my dear friend

Michele Desimone posted:

Debbie was my best friend in the whole world. We grew up together in Oceanside Ny. I have so many great memories and some of the best memories I have are when I would join them on their road trips. I Remember going to Delaware with them and we would stop and look at all the mobile homes and we loved them they were so beautiful and we would pretend that it was ours. Debbie's house on 2nd street was my second home. I remember one beautiful summer day Debbie's mom cooked up some delicious crabs and we sat in their back yard for hours just eating those crabs . They were so delicious. I remember when Debbie got the chicken pox and I went over to see her so I could get the chicken pox to stay home with her. I miss my friend and love her. She will always be in my heart and my thoughts.
