To my dear cousins. I am so sorry to hear of your mother's passing. This has been a tough year for you all. The deaths of both parents in such a short time is extremely hard and I know you miss them terribly. As she passed on the feast of All Saints Day, take comfort knowing she is in the presence of the saints, although she is probably stirring them up a bit. May Aunt Bette rest in peace and may the blessings of God be upon all of you this week and during the weeks ahead. Love and hugs. Cousin Stephanie

To my wonderful mother in law. I will miss you terribly. You were there for me when my mom passed and now we all are here for each other. We had such great parties and going to dances. And just hanging out in your back yard with a beer and whiskey sour for me. Please tell pop hello you two can now go dancing. Love you so much. Cammy ❤️❤️❤️
