My prayers and sincere sympathy go out to her family. I knew her parents. So saddened to get word of her passing. Didn't know her personally. Her dad was my neighbor as growing up. God bless this family.

Missy was a great friend we shared many laughs over the past 5 years. She had the most beautiful smile and soul. She made us feel welcome when we moved across street from her and Butch. She would call me every time she made soup . And enjoyed sitting outside chatting . She truly was a great friend. I will miss her so much. Rest my dear friend

We lost touch over the years but man the school years at ND were memorable, as are you my friend! My thoughts and prayers are with your family as they try and make sense of your journey to eternity. Although they are broken, I pray for the strength and love of our God. May he wrap around you all and may you find peace and comfort in the many memories shared. The Lord shall bless you and keep you Missy. Rest easy.
