Welllll alot of memories I could share but it would probably fill the whole page unfortunately, so I'll leave just things few things that all should recall also 🤔🤔🤔
🤔 My Funny Humorous caring supportive hard working etc etc etc.... Brother-in-law had a thing -that if he was in arms reach of you, You were either getting a strong firm grasping in the middle of your thigh, If you would have to walk by him & you were once again in his BIG HAND arms reach Your buttocks was getting a good oill country slapp 🤔🤔 also men/woman he would give u a titty twister (my son's encountered that ALLLL the time 🤔🤔🤔). I could go on & on& on as all can do also. But over all his: Humerous-Funny-Big Hand Self was a Loving,Caring Devoted,Hard Working Etc.Etc.Etc.Etc.Etc. 🙏 TRUE REAL DEDICATED MAN 🙏 R.I.P Brother-In-Law," & Even though your Not down here on earth with us anymore, I know You Will Still Continue to Watch & Protect "ALLLLLLL" Your Family" 😞

Great man and friend. When I was a teenager he was like a cool father figure. Taught me tricks with working on trucks, muddin, and sound systems. I ended up at his house after drinking to much to the point of dry heaving after passing out and he stayed up with me all night to make sure I was ok. And when I had my daughter we transitioned to more like brothers. Life made visits few and far between but we could joke and mess with each other like we hadn't spent any time apart when we did see each other. I loved that man and regret not spending more time with him and miss him. Tara, Shelby, Sierra, Summer, and Jerry you know I am here and will try to help if you need any thing
