I have many great memories of our trips to Delaware. I still tell my kids stories of Tommy's boats, and the night that half of the Mullett clan was almost lost at sea when Tommy tried to tow Buddy's dead fishing boat back to shore. You guys are all in our prayers. Doug and Rose Doug Mullett

Tom was our "go to" guy for most anything we needed done. Could be cutting down a tree, welding something, pulling someone out of the ditch, or running over to check on our chickens. Mom even got him to put up a railing on our back steps when we were gone to surprise us. Thank you Tom.
