Laura is my first cousin. Because they lived on the farm across the road we would ride the same elementary school bus. Even though Laura was 3 yrs older than I she would share a bus seat with me. Laura was always so kind to everyone.

Jim, your mom was a true and faithful friend to me many years ago as i went through a hard time in my life. The world was blessed with her. When you came in her life it was a ray of sunshine. Praying for you and the family. It is not "goodbye" but "see you later at the house". Gail Moore-Gibbs and family

Cousin Jim - Our deepest sympathy on the loss of your mom, our wonderful aunt. We will miss her smile and laughter. She was good in keeping in touch via text. She loved to share photos of her flowers. We loved her saying "You're a Mess" whenever we would say or do something silly/crazy. Looking forward to spending time with you. See you Monday evening as we travel from Kidron, OH.
